SIGURPLAST

Sigurður L. Sævarsson - CEO Sigurplast

NEMO is a valuable add-on to the standard NAV system. It is simple, easy to use and it gives you the key information you need in one place. It has never been as important as today to have the exact information on our business to ensure right purchase decisions and our customers the best prices.

Herjólfur Guðbjartsson - CFO Arctic Trucks International

We needed the power of NEMO to consolidate reports from NAV into one central location, giving our managers a time saving and convenient decision making tool. NEMO provided us with a reporting solution that was simple to implement and distribute within the various sectors of our organization. Arctic Trucks was further reassured by the product being certified by Microsoft and supported by numerous other customers that confirmed the quality of the product.
